

48-HOUR DISTRIBUTION: These solemn men full uncirculated \$2 bills are being moved from the private vaults of the World Reserve Monetary Exchange for immediate distribution to St. Louis area residents. They are only being released because together in Vault Stacks containing three protective bankers portfolios each full uncirculated \$2 bills for just forty-eight dollars per bankers portfolio. That's a real steal because only the first 7,127 residents whose zip code appears on the Distribution List are getting the Vault Stacks full of real money just by calling 1-888-841-8536 to beat the 48-hour deadline.

St. Louis area zip codes turn up cash for residents

Valuable uncirculated sheets of never circulated \$2 bills are actually being released to the first 7,127 callers who find their zip code on the distribution list below and beat the 48-hour deadline to get Vault Stacks full of real money

St. Louis — St. Louis area residents who find their zip code on the Distribution List will feel like they just won the lottery. That's because for the next 48 hours, full uncirculated sheets of never circulated \$2 bills are being released by the World Reserve Monetary Exchange to banks, not to dealers and not just to the rich and famous, but directly to St. Louis area residents who beat the 48-hour deadline. The only thing residents need to do is look for their zip code on the Distribution List printed in today's publication. If their zip code appears on the list, they need to immediately call the Distribution Hotline before the 48-hour deadline to get the Vault Stack containing three protective bankers portfolios each loaded with its own full uncirculated sheet of never circulated \$2 bills. But only the first 7,127 residents whose zip code appears on the Distribution List can even get the Vault Stacks containing three protective bankers portfolios full of real money. "The Gov't shut down printing of \$2 bills in September 2006 and likely won't print more until next year, so the money is being released until our last remaining \$2 bills are completely gone," said Jefferson Marshall, Executive Director of the private World Reserve Monetary Exchange. "That's why we're set up a Toll Free Distribution Hotline to make sure residents get them now," he said. But everything in our vault may soon be gone. So residents who want to get

the uncirculated sheets of never circulated \$2 bills had better hurry and call right now," Marshall said. So those who get in on this now will be the really smart ones. Just think what they could be worth someday. "Rare uncirculated sheets of real Gov't issued currency have sold at prestigious auction houses for thousands of dollars. Currency values always fluctuate, and there are never any guarantees. But at just forty-eight dollars the full uncirculated sheet and bankers portfolio is a real steal," Marshall said. "You would expect to only see uncirculated money sheets on display in the Oval Office or under guard at the Smithsonian," he said. "In fact, they are so seldom seen, banks don't even have them. That's why I've issued a directive to release a limited number of never circulated uncirculated sheets of valuable \$2 bills from our private vault reserve to residents of the St. Louis area. Residents whose zip code is not on the Distribution List can't have our Vault Stacks of these full uncirculated sheets of \$2 bills," Marshall said. "These full uncirculated sheets of \$2 bills will be highly sought after and are extremely popular to hand out as gifts for friends

and family," he said. Most people have never even seen a single \$2 bill featuring President Thomas Jefferson on the front and the signing of the Declaration of Independence on the back. Let alone one of these full uncirculated sheets of never circulated bills. "We're bracing for all the calls. With just hours left, we're doing our best to make sure St. Louis area residents get through. But, it is important that residents find their zip code on the Distribution List and call the Toll Free Hotline right away to beat the deadline. Because when our release is over, it's over," he said. "We're allowing residents whose zip code appears on the Distribution List to claim as many as 10 Vault Stacks. But, since you can't get these Vault Stacks containing three protective bankers portfolios full of uncirculated sheets of money at banks, credit unions or even the Federal Reserve the limits will be strictly enforced," Marshall said. "So, residents who want these full uncirculated sheets of real money need to call right now. If lines are busy keep trying, we promise to answer all calls," he said. **Order available only**
