

Say Goodbye To Starvation Diets Forever

Amazing Fat Fighting Pill

Ends Hunger- Guarantees

Super Fast Weight Loss!

U. S. Patent reveals weight loss of as much as 28 lbs. in 4 weeks and 48 lbs. in 8 weeks...

Las Vegas, NV - There now exists an all natural, bio-active weight-loss compound so powerful, so effective, so relentless in its awesome attack on bulging fatty deposits that it has virtually eliminated the need to diet.

News of this super pill from Asia is sweeping the country. The product is called FatStopper 2000 and it's dynamite!

In fact, thousands of people are now trying FatStopper 2000 and losing weight faster than ever before! People throughout the country are reporting incredible weight losses.

EXCESS CALORIES ARE FLUSHED RIGHT OUT OF YOUR BODY!

FatStopper 2000 ingredients were developed in Asia by medical researchers. The product contains no drugs whatsoever. It's ingredients are derived from a certain plant that grows primarily in Southern Asia.

The technical name is *Amorphophallus Konjac* which comes from the Konjac root.

Why the Konjac root? For years it was a widely held belief that extracts of the Konjac root had magical properties. When a person ate a small amount of this unique plant extract they would miraculously lose weight!

Researchers investigated this phenomenon and discovered, through sophisticated testing, that the plant extract did indeed cause the human body to bring about rapid weight-loss.

Actually the way it works is truly extraordinary.

Shortly after taking small portions of the plant extract it dissolves into a completely natural gel which surrounds excess figure destroying calories and prevents them from forming body fat.

This action actually alters the time contact is made with the intestinal membrane! In addition and more importantly this remarkable plant gives you a natural feeling of fullness so you're not hungry while your excess weight comes tumbling off.

The research team was so impressed with the plant extract's abilities that they produced an amazing weight-loss pill which uses the key ingredients of this plant extract.

But what's even more impressive, the FatStopper 2000 pill actually surpasses the incredible powers of this plant extract because the FatStopper 2000 ingredients are so highly concentrated.

In fact, the FatStopper 2000 ingredient is so effective at producing massive weight-loss in record time that it was even awarded a patent for weight loss #3,973,008 by the United States Patent Office.

The clinical studies of both men and women revealed in this patent showed individual weight

losses of as much as 28.65 pounds in 4 weeks - and as much as 48.5 pounds in 8 weeks: the average weight loss for all participants in that same time period was 33.9 pounds.

The FatStopper 2000 ingredient was awarded patents in other countries as well, including Japan, France, Germany and the United Kingdom.

Another U.S. Patent #3,856,945 was awarded to this incredible product for its added ability to reduce harmful cholesterol levels.

As Japanese medical doctor Mutsuhiko Kuroki explains: when *Amorphophallus Konjac* enters the small intestines it "Blocks cholesterol absorption - reduces the amount of fat absorbed - prevents a sudden increase in blood glucose levels and normalizes the body's cholesterol level".

Clinical studies on *Amorphophallus Konjac* have been conducted in some of the worlds leading medical schools and Universities. The results of a number of scientific studies on this remarkable ingredient have already been published worldwide in major medical journals.

EAT ALL YOUR FAVORITE FOODS AND STILL LOSE WEIGHT (PILL DOES ALL THE WORK)

By now it should be obvious the FatStopper 2000 is no ordinary diet pill. Unlike other diet programs, once you've taken FatStopper 2000 there is really nothing else to do. You'll marvel at the way FatStopper 2000 literally reverses years of overeating.

You need only follow the simple instructions. That's it! You can continue to enjoy all those foods you love to eat. FatStopper 2000 makes it easy for you to simply not allow your body to consume and absorb excess calories. Period!

With FatStopper 2000 you can eat all of your favorite foods but because you will experience a natural feeling of fullness you will of course eat less, not feel hungry and thereby lose weight.

Each day you'll notice absolute visible results as your unwanted pounds of fat, flab and cellulite completely disappear.

There is even a low fat, low calorie diet that comes with the FatStopper 2000 pills that together make up the entire program for those who want to eat healthier and lose weight faster. The key, as everyone knows, is not feeling hungry while the excess pounds and inches disappear.

However, a word of caution is in order. Because FatStopper 2000 is so effective at removing years of ugly fatty deposits and because FatStopper 2000 has absolutely no side effects, there is a tendency for some people to over do it. Do not allow yourself to become too thin.

Without changing the way they eat, and by simply adding the FatStopper 2000 ingredient to their normal meals, clinical studies of both men and women revealed in U. S. Patent #3,973,008 showed individual weight losses of as much as 28.65 pounds in 4 weeks - and as much as 48.50 pounds in 8 weeks: the average weight loss for all participants in that same time period was 33.9 pounds.

"I lost 49 pounds in just 8 1/2 weeks!"

"I cannot stand dieting. To me, giving up the foods I love to eat could be worse than being fat. FatStopper 2000 was a real lifesaver! I lost 49 pounds in just 8 1/2 weeks and never felt like I was on a diet. I've never looked or felt better. I know I am much healthier, too! My friends are all green with envy."

-Tanna D., San Diego, CA

Results not typical. Results will vary.

If you start to lose weight too rapidly, limit your pill intake, or even skip a day or two. Have a goal in mind and try not to go beyond it.

Also, before starting this or any weight loss program you should check with your physician to determine that you are in normal health! If you exercise that's great. If you don't, remember that simple walking or moderate exercise such as light aerobics will not only speed up your metabolism but will help tighten and tone muscles and skin as your excess weight and inches begin to disappear.

COMPANY OFFERS EXTRAORDINARY GUARANTEE!
