UNLIKE COFFEE or other stimulants that make you feel jittery, ALL DAY ENERGY GREENS helps reverse the root cause for your fatigue: Acid overload. But it's NOT the acid in your stomach, it's excess acid in your blood, tissues, and organs. Here's how it works...

Those fried foods are frying your cells!

According to Dr. Robert Young, a nationally renowned cellular microbiologist, a lifetime of eating acid-forming, unhealthy foods—

ALL DAY ENERGY GREENS® helps reverse the cellular damage that can lead to fatigue—giving you the kind of all-day energy you haven't felt in decades!

like fried chicken, pizza, hamburgers, bacon and junk food—make your whole system acidic. As a result, your body has trouble getting the nutrition and energy it needs from the food you eat.

Your body becomes a sitting duck for daily fatigue.

The result is numbing, daily fatigue. Ultimately, your body becomes a sitting duck for energy-robbing bacteria, yeast, fungi and mold.

It also drains off your body's essential nutrients—like B-complex vitamins, iron and minerals.

Acid overload can also contribute to rapid drops in blood sugar levels—leaving you tired and crabby. So what can you do about it?

ALL DAY ENERGY GREENS

Healing Secret #2:

Michael Tried ALL DAY ENERGY GREENS for the ENERGY, then He Lost 51 Pounds in Just 2 Months...

And he's NOT alone. From the very first day we created ALL DAY ENERGY GREENS, we've been *flooded* with positive reports from men and women who lost 10, 20, 30, 50 pounds or more *with* less effort than they ever *dreamed* possible.

Belly fat, love handles, bat wings...ALL GONE.

They not only lost weight, but dramatically transformed their body shapes. Pot bellies,

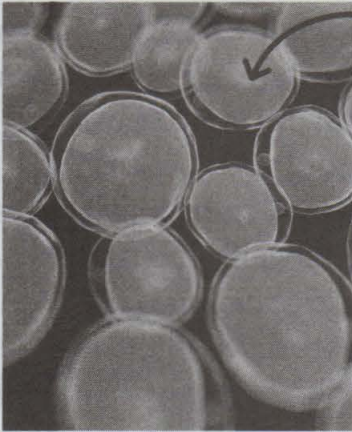

love handles, thunder thighs, bat wings, double (and even triple) chins suddenly seemed to dissolve away—leaving behind a slimmer, sexier, more self-confident person at last. What makes this all the more remarkable is that we don't really consider ALL DAY ENERGY GREENS a weight-loss product. So how come so many people lost *so many pounds* using it?

"I lost 37 pounds since I started drinking it...I consider ALL DAY ENERGY GREENS® to be Mother Nature's amazing drink..."—Diana P., Bishopville, SC

“University of California Study Confirms the Real Cause for Obesity in America:

EXCESS ACID Stored Inside Your Fat Cells...”

These are **ACTUAL** human fat cells. And we now know they hold something even **MORE** dangerous than fat.

A recent study of 1000 people conducted at the University of California demonstrated that over-weight men and women are storing excess **ACID**—from eating too many unhealthy and sugar-packed foods—in their fat cells.

Why? It's your body's natural response to keeping all the excess acid in your body from **ATTACKING** every cell and organ in your body and wrecking your health. **ALL DAY ENERGY GREENS** helps neutralize the acids in your body—so it can finally “let go” of all that unwanted fat.

Finally, the secret was discovered in a California lab.

A remarkable study conducted at the University of California may have finally

uncovered the secret—actually *Mother Nature's* secret.

Conducted by Dr. Lynn Frassetto, the study included

(continued on next page...)

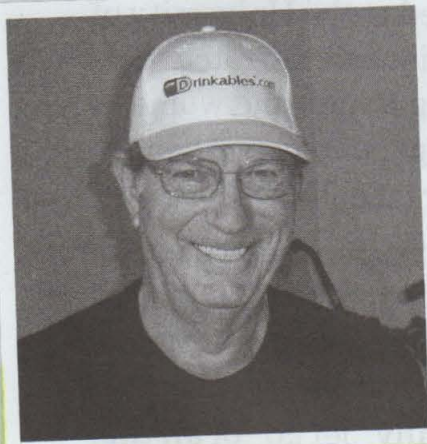

(...continued from page 9)

1,000 test subjects and was designed to look *inside* their fat cells.

The “smoking gun” for obesity...EXPOSED.

What she found may ultimately prove to be the “smoking gun” for obesity in America.

The scientists on her team found that the fat cells for overweight men and women were crammed with toxic acid. Even more remarkable,

“I have lost 25 pounds and 6 inches around my waist...I have definitely noticed an increase in my energy and stamina...”

—Jeffrey Hall, Topeka, KS

this was a *deliberate act of self-preservation* by your body to keep the acid from eating away at your body (and organs) from the inside out!

But how did the acid get there? The #1 source is *unhealthy*, everyday American food—especially food that’s packed with sugar.

The *more* of these foods you eat, the more acid enters your system. So to protect your cells and your organs from *corroding*, your body makes more fat cells and tucks all the toxic acid *inside*. So you get more fat cells and a bigger belly, thighs, hips, *you name it*.

Now comes the amazing GOOD news...

Once you neutralize the acid locked in your fat cells, your body is finally free to release all the excess fat so you can grow slimmer, and *healthier* at the same time. But how can you neutralize all that excess acid?

Veggies and Fruits are Nature’s KEYS...

These are Mother Nature’s purest and best “alkaline”

(continued on page 12...)

Harvard School of Public Health Explains:

"...of a diet rich in vegetables and fruits: Lower blood pressure; reduced risk of heart disease, stroke and probably some cancers; lower risk of eye and digestive problems; and a mellowing effect on blood sugar that can help keep appetite in check."

The problem is that only a fraction of Americans get the veggies and fruits they need every day. The CDC recently reported that less than 1 in 10 people consume enough vegetables every day!

ALL DAY ENERGY GREENS delivers a whopping 38 fruits, veggies, herbs, enzymes, and even probiotics in a single spoonful.

Just sprinkle it in your favorite juice or water and enjoy! It takes 60-seconds...and you get a whole day's worth of your fruits and veggies. That's SO smart...and SO convenient.

Have you had your five fruits and veggies today? Probably not! ALL DAY ENERGY GREENS helps guarantee you never miss another day!

Mental decline, brain “fog,” memory problems are NOT inevitable as you age. They’re simply a symptom of free radicals attacking your brain cells and triggering *oxidation*. The *same* process that causes car fenders to rust... and newspapers to turn yellow in the sun. *What’s the solution?*

Antioxidants of course. But not just any antioxidants. You need special antioxidants that can pass through the protective blood-brain barrier to support healthy cells. Healing Secret #5:

Institute of Preventive Medicine: “One of the most incredible ingredients of this decade...”

—Dr. Howard Lutz, Director of the Institute for Preventive Medicine, Washington D.C.

Recent Nobel-Prize winning research (explained on the right) may have finally cracked the mystery of aging: *The DNA in your cells gets weaker and weaker as you age.* And you desperately need healthy cells to remain young and disease-free.

ALL DAY ENERGY GREENS delivers a *flood* of healthy fruits and veggies in a single glass.

Within seconds, these nutrients start racing to every cell in your body so the repair process can begin.

Here's just one example...

Incredible...just INCREDIBLE!

One of our 38 amazing ingredients is *organic barley grass*.

Dr. Howard Lutz, the director of the Institute of Preventive Medicine in Washington, D.C., stated that barley grass is “...one of the most incredible products of this decade. It improves stamina, sexual energy, clarity of thought, and reduces addiction to things that are bad for you.”

(continued on page 20...)

ORGANIC BARLEY GRASS JUICE, the kind used in **ALL DAY ENERGY GREENS**, has demonstrated the ability to double the speed at which DNA repairs itself...

The Mystery of Aging Revealed...

Harvard, Johns Hopkins and UC San Francisco scientists unlock mystery of aging, win Nobel Prize...

In 2009, a trio of scientists from Harvard, Johns Hopkins and the University of California San Francisco were awarded the Nobel Prize for decoding the secrets to cellular aging. It was a simple, yet brilliant discovery.

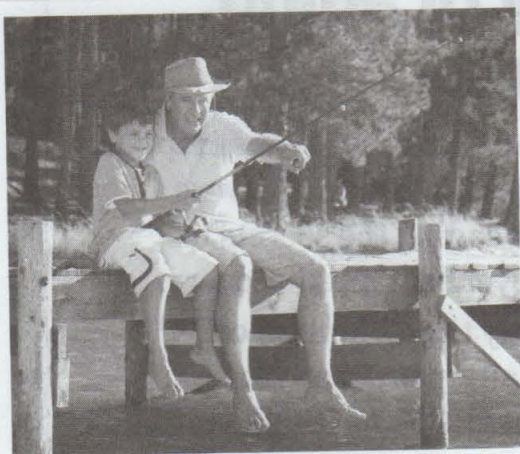

They demonstrated that every time a human cell replicates itself, the DNA actually *degrades* a bit resulting in a weaker, older cell and *body*. It's like taking a photocopy of a photocopy...every time you make a copy, the image *degrades* a little bit. The result is *aging*.

ALL DAY ENERGY GREENS delivers a *flood* of 38 vegetables, fruits, herbs and enzymes that support your cells to help keep them younger *longer* than Nature might have intended. *Organic barley grass juice*, for example, has been shown in laboratory tests to *accelerate* the rate at which DNA repairs itself.

(...continued from page 18)

Includes ALL of the vitamins needed for the human body...

When barley grass is young and about 12 inches high, it contains *all* of the vitamins and minerals necessary for the human diet! It's juice is seven times richer in vitamin C than oranges, five times richer in iron than spinach, and ten times richer in calcium than milk. It's also a rich source of the energy vitamin B-12. It even delivers healthy *protein*.

"The benefits of taking ALL DAY ENERGY GREENS® are simply overwhelming...from day one my energy soared..."

—Anne Secor, Hutto, TX

Concentrated health benefits...

Furthermore, the *powdered* form of barley grass (used in ALL DAY ENERGY GREENS) may be even *healthier*. According to Japanese research scientist Yoshihide Hagiwara, MD, the powdered form is absorbed quicker and then delivers *thousands of live enzymes to your cells—including superoxide dismutase (SOD)*.

The MORE you have, the LONGER you live, says the National Institute of Aging.

SOD aids in digestion and metabolism by dispersing vitamins and minerals in the bloodstream. Dr. Richard Chard Cutler, a biophysicist at the National Institute of Aging has demonstrated that the more SOD in the blood... *the longer the individual lived.*

DNA repaired itself TWICE as fast...

Even more remarkable, Genetic researchers at the University of California at La Jolla found that when powdered barley juice was added to damaged cells, the

DNA repaired itself *TWICE* as quickly.

And remember, *organic barley juice powder* is just ONE of 38 veggies, fruits, herbs and vitamins in ALL DAY ENERGY GREENS—and every last ingredient delivers Mother Nature's miracles to your cells in a single, delicious serving.

Does it work? Just *look* in the pages of this report and *read* what our customers have to say. And remember, for every *one* success story you see here, *we have a HUNDRED more on file!*

From World-Renowned Cellular Microbiologist, Dr. Robert Young:

The typical American diet loads your body tissues with excess acid. Your liver responds by pumping out more and more cholesterol to neutralize the acid.

ALL DAY ENERGY GREENS

Healing Secret #10:

Glowing, Younger-Looking Skin, Hair and Nails...

According to the Mayo Clinic, one of the primary causes for wrinkles is the breakdown of the collagen cushion that keeps your skin smooth and firm. As free radicals (from diet, stress, and pollution) attack your collagen, it begins to sag and wrinkle.

The best way to combat those free radicals is with antioxidants...*but not just any antioxidants*. The Mayo clinic also reported that

the BEST sources for antioxidants are, by far, *whole* fruits and vegetables. Trying to pick and choose individual antioxidants just doesn't work ...and it can even be dangerous.

ALL DAY ENERGY GREENS® delivers the equivalent of *38 whole fruits and vegetables* in a single, delicious drink you enjoy once a day...*and you're done*. *It's Mother Nature's perfect age-erasing formula.*

Just *look* at what it's done for our customers...

Gray Hair GONE!

"...now growing NEW HAIR that's no longer coming through grey..."

—Kristi Bullock, Florence, KY

*Before**After!*

“The Age Spots on the Backs of My Hands Have... DISAPPEARED!”

“As a senior citizen (over 80 years of age)...I needed a daily afternoon nap to get through the day...I even bought a ‘walking stick’ to steady my faltering step during my daily walk. After a few months of ALL DAY ENERGY GREENS, I no longer needed that afternoon nap...nor even my ‘walking stick.’ Among other benefits...I’ve noticed that the ‘age spots’ on the back of my hands have completely disappeared! I feel better now than I have in years...” —A.V., Brooklyn, NY

Eczema VANISHED

“I am both pleased and delighted to report things REALLY turned around...I thank God I found your product...”

—Roxann Browns, Spokane, WA

Youthful Skin!

“My skin has a more youthful appearance...”

my nails grow by leaps and bounds...my energy level is astounding...”
