Bellevue, WA: The government warning is startling. And pretty bad news for anyone who relies on medications for digestive relief.

Dr. Santiago Rodriguez (world-renowned expert on medical botany) says; "You can see the tortured look on people's faces as they describe the scorching burn of stomach acid. Or tell me how they're kept prisoner to the bathroom because of chronic constipation or diarrhea" Losing these drugs is a nightmare if you depend on them. But because of advances in natural, drug-free alternatives, that nightmare may be over.

NOW, FINALLY THERE'S HOPE..

"The secret to relief" says Dr. Rodriguez "is in drinking in the healing properties of the aloe plant". But in fact, this delicious "digestion cocktail" is doing amazing things for people who suffer with stomach problems --- even if they've had them for years. Here's how it works...

STOMACH AGONY

Your stomach naturally produces acid so strong, it can dissolve an aluminum spoon in just 30 minutes! And when excess acid escapes into your esophagus, throat and stomach lining... It unleashes the scorching pain of acid reflux, heartburn, ulcers and more misery. Add the problems of stress, and "all hell breaks loose."

Dr. Rodriguez explains... the "AloeCure" can work genuine miracles. It buffers high acid levels with amazing speed. So your stomach feels completely at ease just moments after drinking it." In fact, it could wipe out stomach pain, discomfort, and frantic runs to the bathroom.

UNTIL NOW, LITTLE COULD BE DONE...

But "AloeCure" can help virtually anyone. Even people with chronic stomach pain can feel better right away," says Dr. Rodriguez. And what's really exciting is AloeCure" aids in keeping your digestive tract healthy, so intestinal distress stops coming back.

DIGESTION DEFENDER #1: BALANCES STOMACH ACID

Your first line of defense is calcium malate. This natural acid buffer instantly sends stomach acid levels plunging. And holds acid levels down so they don't return!

DIGESTION DEFENDER #2: INSTANT, SOOTHING RELIEF

AloeCure" is brimming with polysaccharides, this "wonder" compound that gently coats the throat, esophagus and stomach, carrying instant relief to cells scorched by excess acid.
