Look, I get it. It's almost impossible to worry about everything you eat. But if you suffer with digestion problems, and slip up, the experience is *horrifying*. Think about it...

Take a bite of something that “doesn't agree with you” and you're stomach cramps up in knots. Everyone's different. Some get severe heartburn, others acid flare-up so painful, it feels like someone poured battery acid down your throat.

Even going to the bathroom is a nightmare. You strain and strain, but just can't go. And can become so constipated that you find yourself screaming in pain! It's a real mess! **And you're not alone.** Millions suffer right along with you. That's why I'm writing to you today.

I've Discovered a Solution So Powerful; It Beats Almost Any Digestion Problem... INSTANTLY!

Chances are you don't know about **AloeCure®**. It needs no prescription because it's not a drug at all. **AloeCure®** is something completely different. You can get extraordinary relief by just taking a couple spoonfuls. It's so powerful; you may never experience another digestion episode again! (*More on that in a minute*)...

Drug-store Meds like Prilosec®, Prevacid®, Pepcid® and Nexium®: Are They Worth The Risk?

Recently, the FDA issued a stern warning that these proton pump inhibitors should NOT be taken for any longer than 14-days at a time. **MOST PEOPLE TAKE THEM FOR YEARS!**

If you do, you're really screwed. Those drugstore remedies like **Nexium®, Prevacid®, Prilosec® and Pepcid®** can give you temporary relief, but at what cost? **The Truth Is, Antacids Are Nasty Drugs.** Like thousands of others, you could end up with brittle bones, hip and wrist fractures and a damaged spine. Plus you'll be at risk for nasty infections that can land you in the hospital for weeks. And it's especially true if you're over age 50!

The “Hidden” Danger Most Doctors Don't Even Look For!

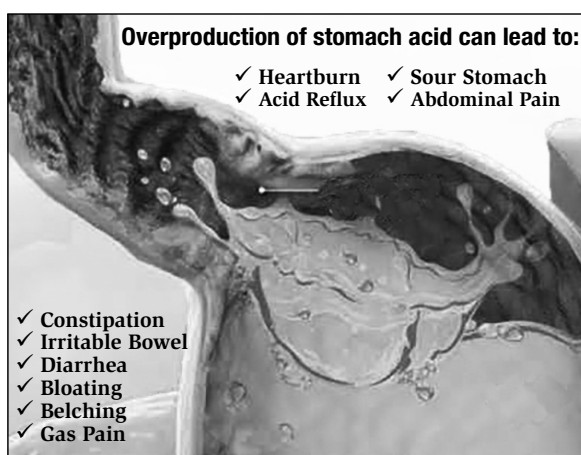

The Bottom Line: Digestion issues can screw up your body! And if you don't do something about it now, your problems are just beginning! But as I mentioned earlier; I can help you fix your digestion problems once and for all!

Clinical strength **AloeCure®** reduces cramping—neutralizes acid burn INSTANTLY so you stop suffering the moment you take it (without risking your health to scary drugstore alternatives).

I know what you're thinking. “Aloe is for sunburns and cuts! Why would I want to drink it?” But what you might not know is; 99.98% *pure* aloe (like the kind used in **AloeCure®**) patches you up even better on the inside. It calms the fire in your throat and belly right on the spot. And keeps you going so you don't have to strain, push (and pray) for relief. The moment you drink it, your digestion problems your body begins to soothe and heal! It's that simple.

Wake Up From Your Digestion Nightmare

The secret is **AloeCure®** is brimming with **malic-calcium**, a powerful acid blocker that

Just two ounces of AloeCure daily can reduce stomach acid 10 times more and lead to a cleaner, healthier digestive system.

quenches the awful burning sensation in your throat, stomach, and esophagus instantly. And keeps the acid level balanced so your symptoms disappear and don't come back.

AloeCure® also contains **polysaccharides** a “wonder” compound that gently costs the throat, esophagus and stomach, delivering instant relief to cells scorched by excess acid.

What's more, it contains vitamins, minerals, and amino acids that fight the inflammation and help heal your body, not just after a meal, but all the time. So you get relief you can count on, day after day.

Most impressively, **AloeCure®** clears out your gastrointestinal tract. It opens a pathway for your unwanted waste so it moves thoroughly through your digestive system as it should.

Recommended by Doctors. Trusted by Millions
