Local Furniture Dealer Is Now Giving Away Free Professional Cameras To Women Who Can Prove They Live in Colorado!

Please take a look at the camera that is in the picture on this page.

This camera is amazing. It has a suggested retail price of \$395.00. There is no other camera like it in the entire world. It makes taking automatic professional quality photographs as easy as pushing a button. It has a 50MM Focus-Free lens that was made in Japan under conditions of very strict quality control. It has Auto wind and Rewind, a dual view finder, a deluxe fast recycling electronic flash, a self-timer...plus...it comes with a custom designed case and shoulder strap.

Even though this camera takes professional quality photographs, anyone (even a young child) can learn how to use it in less than 3 minutes! This camera is very rare. You will never find anything like it at a camera store.

However...if you are a woman who needs furniture...and...you can prove you live in the State of Colorado...

You Can Have One Of These Cameras...**ABSOLUTELY FREE**

But you have to hurry. I have a fairly large supply of these cameras...but I have decided to give all of them away free...before this weekend is over!

Here's why: My name is Leslie Fishbein and I own all of the Kacey fine Furniture stores in the Denver area. Unfortunately, however, I have made a very serious mistake. You see, I've just received a shipment of brand new sofas, bedrooms and dining room sets...that...*I have to get rid of in just 3 days!*

This furniture is exclusive and incredibly beautiful. But, I have had this furniture shipped to the wrong warehouse...before my husband had finished getting the roof repaired. What this means is, if it rains in the next few days...

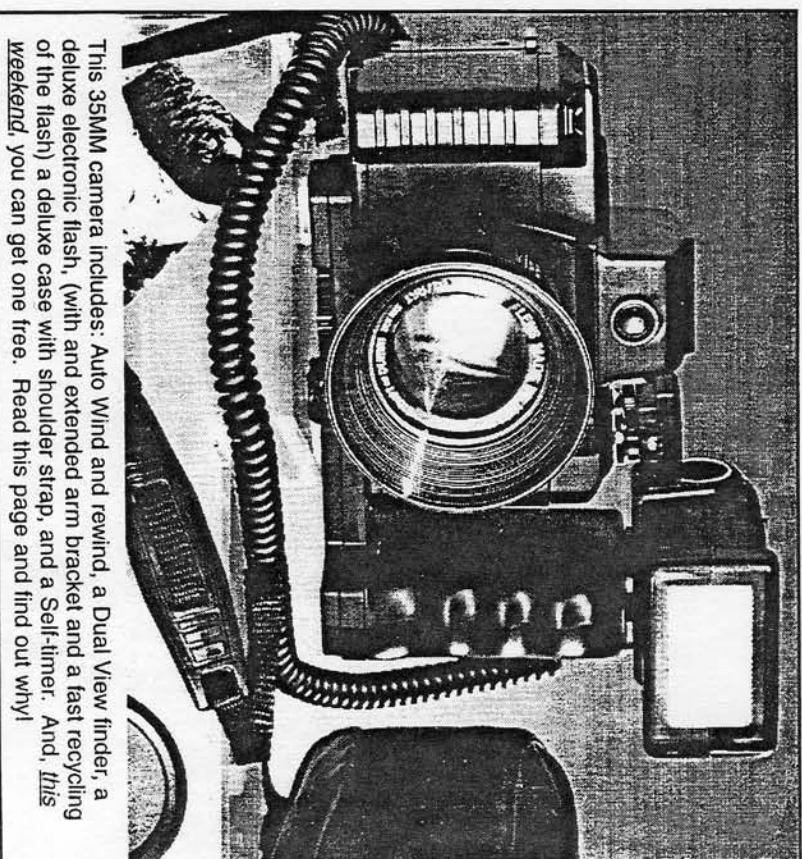

make her say, "I've just got to have that sofa. Or bed. Or diningroom set. Or whatever."

Therefore, I have decided to do something very unusual to make sure all of this furniture gets sold during this coming weekend. If you need new furniture and, you come to any one of my stores (this weekend only) here is the deal I will give you:

- No down payment at all.
- No monthly payments until next year.
- No interest charges whatsoever.
- The lowest prices humanly possible! (Some of these pieces, will be sold at 75% off *wholesale*)
- Or, if you decide to pay cash, you will get an immediate extra discount that will blow your mind.

It sounds like I'm crazy, doesn't it? Well, I'm not. All I am is a very motivated woman who has been forced to create the biggest furniture sale in my life...because...I have no other choice! Maybe I'm wrong but, maybe I'm not. In any case, I'm so desperate to get rid of all this furniture...*before*...the rain ruins it...that...I am willing to practically give it away...PLUS...

I'll Give You A Free Camera Just For Coming In

This 35MM camera includes: Auto Wind and rewind, a Dual View finder, a deluxe electronic flash, (with and extended arm bracket and a fast recycling of the flash) a deluxe case with shoulder strap, and a Self-timer. And, *this weekend*, you can get one free. Read this page and find out why!

want to make sure you get one, I strongly suggest you get to one of my stores as early as possible. Here are the locations:

All of This Inventory Will Become Worthless!

How serious am I about getting rid of all this furniture this weekend? Actually, I am so serious about it, I have decided to offer every woman...who can prove...she lives in the state of Colorado a "bribe" no matter how much or how little (I don't care if it's as much as \$10,000 or as little \$50 worth) furniture she decides to buy this weekend. That "bribe" is the camera I've been telling you about and, is the one in the photograph on this page.

Why am I willing to give away such a valuable camera to any Colorado woman that decides to buy furniture from me this weekend? The answer is easy. You see, I think there is a good chance that anyone that even looks at this collection of furniture...which...I had shipped by mistake to the wrong warehouse...will see several items that will

Listen, all I'm asking you to do is look. You don't have to buy anything. You do not even have to talk with a salesperson. There will be no pressure on you to buy anything. I simply don't allow stuff like that to go on in any of my stores. But, the truth is, I am desperate to get you and other people like you to at least look at these amazing bargains in the hope that you will at least want some of it. But, I'll tell you what: I'll never make a

mistake like this again. I'm offering this special deal...this weekend only. It starts on Saturday at 10 a.m., and ends at 5 p.m. on Sunday. After that, it's gone forever. Also, I can only give away as many cameras I have in stock...so...if you
