

How To Launch Your Own Business For Under \$1,000 and Make \$25,000 - \$50,000 a Year

Management consultant David D. Seltz is one of the nation's foremost authorities on small businesses. He has written some 12 books on the subject and more than 2,000 articles which appeared in such publications as *Nation's Business*, *Dun's Review*, *Business Management*, etc.

He has spent the last 14 months researching 18,292 small business opportunities to compile the first complete directory of the most profitable small businesses you can start in your spare time for under \$1,000 (many for under \$500).

He has published his findings in a new book called, *"A Treasury of Business Opportunities,"* published for anyone who's dreamt of owning a business.

In its fascinating pages, you'll learn...

- How Michael S. makes \$50,000 a year in a small community by providing a little-known, simple service needed by the graduating class of every high school and college. His student customers are easy sales and his work consists mainly of placing phone calls.

- How John H. runs a weekend business that uses other people's vacant land to rake in as much as \$10,000 profit per weekend. No equipment, no investment, no employees needed!

- How James P. charges \$2,000 for a simple service most businesses need, but few people are aware of. He has so much business, he doesn't even advertise!

You'll learn about a unique new product that's selling like wildfire to reli-

gious people and gives you a 500% markup. You'll discover an easy-to-start business that nets about \$25,000 profit in the summer months alone. You'll be given the amazing inside story of a business that requires so little of anything, you could run it out of a phone booth. Yet it's quietly making better than \$50,000 a year for scores of men and women.

You'll learn where to haul away crates of what some businesses consider "junk" - but which other businesses need desperately and will pay you as much as \$60,000 a year for. You'll discover a product that costs pennies to make, sells for \$5 and is wanted by thousands in just about every community. And you'll be shown how to start an exclusive kind of club which can bring you more than \$50,000 a year from people who'll feel *privileged* to pay you a hefty membership fee just for the right to belong!
