

Doctor's Secret unclogs Arteries and Stops a Heart Attack instantly

It has been called the most powerful heart healer known to medical science because of its amazing ability to stop a heart attack in just 30 seconds.

Famed physician and herbalist Dr. John Christopher reported: **"In 35 years of medical practice I have never lost one heart attack patient."** That's because when Dr. Christopher got there, he would immediately give his patients a precise dose of cayenne pepper... and within minutes they would be up and walking around.

A new book called *Cayenne Cures* is now available that tells you exactly how to use cayenne pepper to protect your heart and improve your health. It also reveals many other tested and proven home remedies you can make yourself that take advantage of the remarkable healing powers of cayenne.

Besides stopping a heart attack instantly, cayenne has been proven to **cleanse clogged arteries, lower blood pressure, reduce cholesterol, normalize blood sugar levels, reduce triglycerides and dissolve the fibrin which causes the formation of blood clots.** Cayenne also exhibits an amazing anti-inflammatory effect which greatly benefits people with arthritis and fibromyalgia. It is believed to act on Substance P, which is the body chemical involved with pain.

Cayenne Cures reveals medically proven methods for using cayenne pepper. It can be used by itself in precise doses... or in combination with other ingredients to heal numerous health problems. Each preparation is carefully described along with directions how to take it and the condition it is used for.

Doctors have verified that cayenne feeds your heart and has a profound energizing effect on your entire circulatory

system. Cayenne quickly starts moving blood and equalizing blood pressure. It regulates the flow of blood from the head to the feet and influences the heart immediately. It's energizing effects eliminate fatigue and restore stamina and vigor.

Your own doctor will tell you that nearly every illness is associated with a restriction of blood flow in your body. Cayenne, used correctly, is uniquely effective for improving blood flow. It helps dissolve blockages and restrictions and stimulates blood flow so that vitamins, nutrients and oxygen are properly delivered to all areas of your body.

Contrary to popular opinion, cayenne does not burn the lining of your stomach. Instead, it has been shown to actually heal stomach ulcers and rebuild damaged tissue. It can also:

- **Relieve arthritis pain and fibromyalgia**
- **Improve digestion**
- **Relieve constipation**
- **Improve allergies and asthma**
- **Relieve sore throats, colds and flu**
- **Heal infections**
- **Stop headache pain**
- **Flush out waste products and toxins**
- **Help wounds heal faster.**

Research shows that cayenne pepper is so powerful that it kills bacteria, parasites and fungus...and it has even killed cancer cells in laboratory research. Yet it is so safe that it does not harm normal cells or tissues. It is easy to use, remarkably effective and costs just pennies.

Cayenne has worked virtual medical miracles for people with the most hopeless problems. Best selling author Dick

Quinn, who doctors left for dead after failed bypass surgery, actually regained his health and lived many more good years thanks to the healing power of cayenne pepper.

Dr. John Christopher also was told he did not have long to live. However, he enjoyed a long productive life after discovering how to use cayenne to cure himself of hardening of the arteries and arthritis. Cayenne cleansed his arteries so well that, after getting a physical exam for an insurance policy, he was told that his circulatory system resembled that of a teenager.

If you or someone you know have a heart or circulatory problem, the healing secrets revealed in *Cayenne Cures* can be truly lifesaving.
