■ **UMMS -** Have you heard about the free heater giveaway that's sweeping across the state?

Well listen up because here it is and we'll even give you the number to call. Starting at precisely 11:59 a.m. this morning, brand new Connect-a-Red miracle heaters are actually being given away free to the general public for the next 48 hours.

The only thing today's readers need to do is call the Toll Free Hotline before the 48-hour deadline with their order for the handmade Amish Fireplace Mantle. The first 25,534 readers who do will instantly be awarded the Heat Surge Roll-a-Glow Connect-a-Red heater with new Connect-a-Red heat technology absolutely free.

This is all happening to announce the new Heat Surge Roll-a-Glow Connect-a-Red fireplace which actually rolls from room to room so you can turn your thermostat way down and never be cold again. That way, everyone who gets them free can immediately start saving on their heat bills.

Now that the late cold winter weather is here, portable Amish enclosed fireplaces are being delivered directly to the doors of all those who beat the deadline.

These remarkable new Connect-a-Red heaters are being called a miracle

because they have the patent-pending "Fireless Flame" technology that gives you the peaceful flicker of a real fire but without any flames, fumes, ash or mess. Everyone is getting them because all you do is plug them in.

And here's the best part: Readers who beat the 48-hour order deadline are getting their new Connect-a-Red miracle heaters free when enclosed in the Amish built real wood fireplace mantles. The mantles are being handmade in Ohio, right in the heart of Amish country where they are beautifully handcrafted, stained and varnished.

You just can't find custom made Amish mantles like this in the national chain stores. That makes the oak mantle a real steal for just two hundred ninety-eight dollars since the entire cost of the new Connect-a-Red miracle heater is free.

The Amish handmade mantle actually lets the new Connect-a-Red miracle heater roll from room-to-room. These fireplaces are so compact they go anywhere, yet they throw off an instant heat wave in any room. And they only use about the same electric as a coffee maker, so it's easy to stay warm in any room of the house for just pennies a day.

You use, with your furnace you are paying to heat a new of your home that

you're not using. And since the new Connect-a-Red miracle heater only uses about the same of electricity on the standard setting, the potential energy savings are absolutely incredible," said Laura Kirk, Operations Director.

"We're trying to make sure everyone gets left out, but you better hurry because we only have 25,534 new Connect-a-Red miracle heaters to hand out to today's readers for free. For now, readers can have two free per household just as long as they call before the deadline," confirms Kirk.

Getting the Heat Surge Roll-a-Glow fireplace is the smart way to slash winter heat bills and still stay warm all winter long. And getting the new Connect-a-Red miracle heater free is like getting three hundred bucks in your pocket and

you can save even more on your monthly heat bills.

"We're bracing ourselves for all the calls because everyone wants to save on their heat bills and stay warm this winter. But those that really want to save a ton will be calling our operators they want new Amish fireplace mantles and they'll get two miracle heaters free," said Kirk.

"So when the lines are busy keep trying. We promise to get every call. Then we'll have a delivery truck out to you in no time at all so you can stay warm and start saving on your heat bills right away," Kirk said.

"You'll instantly feel the home softening heat in any room. You'll never have to be cold and miserable again," she said. ■

Heat Surge Fireless Flame
bringing home the warmth of the sun

NEW CONNECT-A-RED HEAT™
Technology Works: Heat Surge technology safely heats a room faster and more effectively than typical space heaters. That's because it uses new proprietary Connect-a-Red Heat™ Technology, which combines the hottest rays of the light spectrum with a convection wave that when working together produce ultra-efficient heat. Through invisible, this heat energy can be felt every day when standing in the sunshine. This new advanced heating system warms more than just the air. It heats objects like furniture, walls and people for a warm and comfortable home. It even comes with a full year limited replacement or money back warranty. And the new Heat Surge Connect-a-Red heater has received certification of low-emissions. Laboratories covered U.S. tests.
