*Are you tired of feeling “foggy”...
absent-minded... or confused?*

IS YOUR MEMORY SLIPPING AWAY?

Find out how some people stay sharp and mentally focused --- even at age 90! Here's their secret...

Nothing's more frustrating than when you forget names... misplace your keys... or just feel “a little confused”. And even though your foggy memory gets laughed off as just another “senior moment”, it's not very funny when it keeps happening to you.

Like gray hair and reading glasses... some people accept their memory loss as just a part of getting older. But it doesn't have to be that way.

Today, people in their 70s, 80's even their 90s... are staying mentally fit, focused and “fog-free”. So what do they know that you don't?

Well, the secret may be as easy as taking a tiny pill called *Lipogen PS Plus*.

Unblock Your Brain

Made exclusively in Israel, this incredible supplement feeds your brain the nutrients it needs to stay healthy. It was developed by Dr. Meir Shinitzky, Ph.D., former visiting professor at Duke University, and recipient of the prestigious J.F. Kennedy Prize.

Dr. Shinitzky explains; “Science has shown, when your brain nutrient levels drop, you can start to experience memory problems. Your ability to concentrate and stay focused becomes compromised. And gradually, a “mental fog” sets in. It can damage every aspect of your life”.

In recent years, researchers identified the importance of a remarkable compound called phosphatidylserine (PS). It's the key ingredient in *Lipogen PS Plus*. And crucial to your ability to learn and remember things as you age.

My memory was starting to fail me. I would forget all kinds of things. Something I just said would completely slip my mind. My memory seemed to be getting pretty unreliable. I was worried. So when I read about Lipogen I wanted to try it.

It was gradual. It wasn't like “oh I'm remembering everything now”. I was taking it on a daily basis for 3 months when it hit me, I haven't forgotten anything recently'.

Now I will definitely recommend it to my friends and my sister. I would not trust my memory without it. It's given me a lot more self confidence that I don't feel like a dope all the time.

Thanks Lipogen for giving me my memory back.

Earth-shaking Science

Published, clinical reports show replenishing your body's natural supply of Phosphatidylserine, not only helps sharpen your memory and concentration— but also helps “perk you up” and put you in a better mood.

Your Memory Unleashed!

Lipogen PS Plus is an impressive fusion of the most powerful, natural memory compounds on Earth. This drug-free brain-boosting formula enters your bloodstream fast (in as little as thirty minutes).

**Brain Boosting Compound
Reverses Memory Loss
up to Four Full Years!**

It produces amazing results, especially for people who've tried everything to improve their memory before, but failed. *Lipogen PS Plus* gives your brain the vital boost it needs to jumpstart your focus and mental clarity. “It truly is a godsend!” says Shinitzky.

Significant Improvements

In 1992, doctors tested phosphatidylserine on a select group of people aged 60-80 years old. Their test scores showed impressive memory improvement. Test subjects could remember more and were more mentally alert. But doctors noticed something else.

The group taking phosphatidylserine, not only enjoyed sharper memory, but were also more upbeat and remarkably happy. In contrast, the moods of the individuals who took the placebo (sugar pill), remained unaffected.

But in order to truly appreciate how well *Lipogen PS Plus* works for your memory— you really have to try it. And now you can...

Special “See For Yourself” Risk-Free Supply

We've made arrangements with the distributor of *Lipogen PS Plus* to offer you a special “Readers Only Discount”. This trial is 100% risk-free.

It's a terrific deal. If *Lipogen PS Plus* doesn't help you think better, remember more... and improve your mind, clarity and mood – you won't pay a penny! (except s&h).

But you must act fast. Your order can only be guaranteed if it comes in within the next 7-days. After that, supplies could run out. And your order may not be fulfilled until they are replenished.

So don't wait. Now you can join the thousands of people who think better, remember more—and enjoy clear, “fog-free” memory. Think of it as making a “wake-up call” to your brain.
